1. Minutes from the last Presidium Meeting

The decisions from the meeting in January are being implemented.

2. GM 2023 preparations

- **Workshops on Saturday:**

Everything is prepared for each of the announced topics of the workshops, and they will go on as scheduled.

- **GM Sunday:**

The Presidium discussed about the motions from member federations and decided who will comment on individual motion.

In general the Presidium supports the motions from Ukraine but some amendment is needed since they contradict each other.

- **Membership Ireland:**

We have only one application for a membership, DSI sent us a letter that they don't want to extend their provisional membership.

(80) The Presidium approved all the activities planned for GM weekend.

3. Competitions

(81) Approval of the events

- **Armenia is approved but without any championship.**
- **Zabrze June 2-4, 2023. The Presidium generally agree but we will ask the GM delegates for final confirmation**
- **Zielona Gora June 21 – 23, 2024. The Presidium generally agree but we will ask the GM delegates for the competition structure – one discipline over one day or over two days!**
- **World Cup final 2023 - approved Hungary**

(82) The Presidium approved the Supervisors for 2023.

SRRC sent us a letter regarding too late competition applications. The Presidium is aware that the late applications are not in line with the rules, but in the situation where we don't have enough events this is the only possibility to give dancers a chance to dance. (Comment MKI – in WDSF it is a common practice to approve events even 2 -3 months before the actual event date)

No final decision was made regarding possible online events in 2023.

PdT presented the idea of introducing a Championship belt for World Champion RR MC free style as he did in Lyon. No final decision was made.

4. Sport topics

- (83) Communication - > all the e-mail exchange has to go via official channels as already described on the decision 69 from the previous meeting**
- (84) Music regulations – guideline document - > the unclear text regarding the interruptions will be removed, everything else will be implemented as planned. All other definitions are clear so they are valid for events in 2023.**
- (85) Music rights – DL, KB and MKI will be present at the meeting with Click & Clear company which is dealing with the music rights**

5. WDSF

- (86) Marina Eskolin and Edilio Pagano will be the WRRC delegates at WDSF AGM 2023 in Madrid**

6. WRRC celebration year 2024

- 50th anniversary of acrobatic rock competitions
- 40th anniversary of the WRRC
- 30th anniversary of WDSF membership

- (87) Special project group for the celebration year will be established – lead by the WRRC President**
 - All proposals are welcomed
 - The details about the whole celebration will be decided in the autumn 2023
 - Some historic facts should be collected for the project

7. Boogie Woogie

During this topic, the Boogie Woogie Commissioner, Aina Nygård, joined the meeting.

The BW commission is an example of good team work with good decision. The future goals should address the following points:

- More international events
- More Junior couples
- Rising star category – how to motivate couples to take part.
- Expansion – inside Europe and on other continents

The President thanked all Presidium members and closed the meeting at 19:30.
