1. Minutes from the last Presidium Meeting

On a short online meeting on April 18, 2023 Presidium reviewed several documents prepared by the Sports commission for the year 2023. All changes in the documents are only connected with the work of judges and they don't affect the performance of couples so the Presidium approved them for 2023.

- (88) The revised documents addressing the work of the judges and Observers were approved on April 18, 2023 and have been already used for the competitions in spring 2023.**

The Supervisors on spring competitions (Zabrze, Budapest) explained the changes to the officials. There were no problems detected in the judging process following the implemented changes.

The GM minutes have been published in due time.

On June 10, 2023 the WRRC President was informed by the WDSF General Secretary that Rock’n’Roll was not confirmed as a discipline for the next edition of the World Games in Chengdu China in 2025.
